Forecast For Wales
Issued by Met Office Exeter
at 0400 on Monday 09 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain at times, but also some sunshine today.

Today:
Any early morning heavy rain clearing eastwards, with brighter skies following. The rest of the day will see a mix of sunshine and scattered showers, some of which will be heavy. Breezy conditions throughout. Maximum temperature 20 deg C (68 deg F).

Tonight:
A dry evening for most with clear spells and some scattered showers to north and central regions. The breeze will be easing. Minimum temperature 13 deg C (55 deg F).

Tuesday:
A rather cloudy start, but sunny spells developing with some scattered showers breaking out across the south of the country through the day and clearing by the evening. Feeling warmer. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:
Cool start to Wednesday and mostly dry with patchy afternoon showers. More showers heading into Thursday that clear by the evening. Sunny spells and largely dry on Friday.
